

## LETS DO THE MATH

### HOW MUCH MONEY WILL PARTICIPATION IN THE RSS PROGRAM CONSUME?

**Let's do the Math for how many beneficiaries the platform can cover.**

A 100 T note at \$500,000 per Zim Dollar = \$50,000,000,000,000,000,000  
(50 Quintillion is 50 + 18 zeros)

At 10 % of your 50 Quintillion, your structured payout per year, would be \$5  
Quintillion annually,  
if you take it quarterly you will receive  
\$1.25 Quintillion per quarter.  
\$1,250,000,000,000,000,000

### HOW MUCH A BENEFICIARY WILL RECEIVE

For One Beneficiary the RSS platform will deposit 10 cents per minute from The Benefactor Account (You) to The Beneficiary's account (the receiver). That's \$1,000 dollars a week totaling \$52,000 a Year.

A Beneficiary can create an additional Six Trust Accounts for any purpose they Desire. Each Trust pays out 10 cents per minute.

Therefore a Beneficiary with the Maximum of 7 Accounts (52,000 X 7 Accounts) can receive at least a Total of \$364,000 per year.

### SO LETS DO THE MATH TO SEE HOW MANY BENEFICIARIES YOU CAN SUPPORT AND AT WHAT COST.

A 100 Trillion Zim bond at \$500,000 per Zim Dollar = 50 Quintillion  
\$50,000,000,000,000,000,000 (that's 50 + 18 zeros)

Negotiating up to 10 % of your 50 Quintillion principle, your structured payout per year, would be \$5 Quintillion  
\$5,000,000,000,000,000,000

Assuming you take a quarterly payout on the structured payout that's \$1.25 Quintillion per quarter. (four times a year) as mentioned above  
\$1,250,000,000,000,000,000

Now if We Divide Just One Quarter Payout of \$1.25 Quintillion by the Beneficiaries MAX TOTAL of \$364,000 for the year...  
You could Support 3,434,065,934,066 beneficiaries per year.  
That's 3 Trillion, 434 Billion, 65 Million, 934 Thousand, and 66 Hundred Benefactors and all on JUST ONE QUARTER OF YOUR ANNUAL STRUCTURED PAYOUT.

BUT there are only 7.5 Billion people in the world.  
That Means at VERY Max, if you were to give Every Person in the world the Max Total Payout All that would be needed is \$2,730,000,000,000 per year. That's 2 Quadrillion, and 730 Trillion,  
You can very easily pay the Entire Worlds RSS Program with a very small portion of JUST YOUR FIRST Quarter payout FOR THE ENTIRE YEAR.

That leaves you with 3 more payouts of \$1,250,000,000,000,000,000 and the remaining \$ 1,249,997,270 from the first quarter.  
Leaving you a Grand Total of : \$3,749,999,998,750,002,720 That's 3 Quintillion 749 Quadrillion, 999 Trillion, 998 Billion, 750 Million, 2 Thousand, and 7 hundred and 20 dollars  
A YEAR to do your Projects

**HOWEVER**, you will not be funding every person in the entire world by yourself, there will be many participating in this program **therefore** you will have even more money available for your humanitarian plans. I hope this puts thing in perspective.
